## Amenities Bracelets

Mill Pond Residents are cracking down on non-resident use of our Amenities and their best defense is the Mill Pond Bracelet System. Each resident is issued one bracelet and each home is issued two visitor bracelets (florescent yellow). If you are planning to have additional guests, stop by or call the office during regular office hours for temporary bracelets. Each household may purchase up to six bracelets each week. The bracelets are good for one day at the pool and only cost \$1 each. If you have guests over

the weekend, you will need to get to the office during the week. There is no one in the office on Saturday or Sunday to issue the bracelets. If you are unable to get into the office during the week, please call me Deanna at (770) 214-0270. We will do our best to insure you get the bracelets you need. The HOA has ordered a new pool sign stating that the bracelets are required. Sunbathers, don't worry, you only need to have your bracelet with you. No need for any additional tan lines. Thanks for your help.

## Watering Bans in Carroll Co.

Carroll County is on a complete outside watering ban until further notice. Please turn off your automatic sprinkler systems. Some enlightened ideas for recycling your water... some are reusing their dish water to water outside plants (place a large bowl in the sink and as it gets full take it outside and water), others

are reusing bathe water, still others are taking advantage of the brief rain showers by collecting the rain in a large bucket and then bringing it inside to use for watering after the ground has dried again. If you have an idea how to conserve water, please send it to [dlbishop@millpond.net](mailto:dlbishop@millpond.net) and I will post it on The Ponder page.
